

The Cyber Security Society at ATU Letterkenny is dedicated to promoting awareness and understanding of cyber security and digital forensics within the college community. We aim to provide a platform for students to gain knowledge and experience in these fields through workshops, guest lectures, and hands-on projects.

Our objectives are:

1. To educate students about cyber security and digital forensics through regular meetings and events.
2. To foster a community of students interested in cyber security and digital forensics, and to provide a platform for networking and collaboration.
3. To promote awareness and understanding of cyber security and digital forensics within the college community through outreach and education efforts.
4. To actively engage with industry professionals to provide members with insights and information about career opportunities in cyber security and digital forensics.
5. To allow students to have a break from the stresses that may occur while studying and promote a healthier college study/life balance.

The Cyber Security Society is open to all students of ATU Letterkenny and membership is free. Meetings and events will be held on a regular basis, and all members will be notified of upcoming events and activities through email.

We look forward to working with all members to achieve our objectives and to promote knowledge and understanding of cyber security and digital forensics at ATU Letterkenny.

Society charter

1. **Minimum Membership:** The Cyber Security Society will have a required 10 members including the executive board, this is the requirements set out by the Society and Clubs board.
2. **Membership:** Membership in the Cyber Security Society is open to all with an interest in cyber security and digital forensics.
3. **Meetings:** The Cyber Security Society will hold regular meetings to discuss and learn about the latest trends, techniques, and tools in cyber security and digital forensics. The time and location of meetings will be announced in advance and communicated to all members through email.
4. **Workshops and Events:** The Cyber Security Society will organize and host workshops and events to provide hands-on learning opportunities for members. These events will be announced in advance and communicated to all members through email.
5. **Executive Board:** The Cyber Security Society will have an executive board consisting of a President, Secretary, Treasurer and Safety Officer. The executive board will be responsible for organizing meetings, events, and workshops, and will also be responsible for managing the society's finances. The executive board will be elected by the members at the end of each academic year.

6. **Budget:** The Cyber Security Society will have a budget for organizing meetings, events, and workshops. The budget will be managed by the treasurer and approved by the executive board.

7. **Code of Conduct:** All members are expected to conduct themselves in a professional and respectful manner at all society meetings and events. Any member found to be in violation of this code of conduct may be subject to disciplinary action, up to and including expulsion from the Cyber Security Society. (Please see attached code of conduct)

8. **Amendment of Rules:** These rules may be amended by a two-thirds majority vote of the members present at any regular meeting of the society, if notice of the proposed amendment has been given to the members at least one week prior to the meeting.

The Cyber Security and Digital Forensics Society Code of Conduct:

1. **Respect:** All members are expected to treat each other and society guests with respect, courtesy and professionalism always.
2. **Confidentiality:** All members are expected to maintain confidentiality of any sensitive information or discussions shared within the society.
3. **Professionalism:** All members are expected to conduct themselves in a professional manner at all society meetings and events. This includes being punctual and prepared for meetings and events, also refraining from the use of offensive or disrespectful language.
4. **Inclusivity:** The Cyber Security Society is committed to creating an inclusive environment for all members regardless of their background, beliefs or personal characteristics. Discrimination or harassment of any kind will not be tolerated.
5. **Safety:** All members are expected to take appropriate safety precautions during society events or activities.
6. **Appropriate behavior:** All members are expected to adhere to the laws and regulations of the society and college. Any behavior that is illegal or unethical will not be tolerated.
7. **Consequences:** Any member found to be in violation of this code of conduct may be subject to disciplinary action, up to and including expulsion from The Cyber Security and Digital Forensics Society.
8. **Compliance:** All members are expected to comply with the society's code of conduct and any additional guidelines or rules set by the executive board.
9. **Feedback :** Members are encouraged to provide feedback on the society's code of conduct and make suggestions for improvement.
10. **Reporting:** Any member who witnesses or experiences a violation of this code of conduct should report it to the executive board or a designated person immediately.
