

Tennis Club Safety Statement

The ATU Donegal Tennis Club is committed to providing a safe, inclusive, and supportive environment for all members, participants, and visitors.

We will take all reasonably practicable steps to ensure that:

- All training sessions and matches are conducted in a safe manner.
- Equipment and facilities are maintained and checked regularly.
- Members are informed of potential risks and safe playing practices.
- First aid procedures and emergency contacts are clearly communicated.
- Respectful behaviour and fair play are upheld at all times.

All members share responsibility for their own safety and the safety of others by following club rules, using equipment correctly, and reporting any hazards or concerns to club officers immediately.

Safety is everyone's responsibility.
